

Request for Advance Passenger Information (API)

Effective January 1, 2003, Federal Legislation (United States Security Act, Section 231) has mandated that all airlines will collect Advance Passenger Information (API) for every international flight that departs the United States. The same information will also be required for all international flights arriving into the United States. This law is effective for travel beginning January 1, 2003, regardless of when your reservation was made.

To expedite boarding, please follow these instructions:

- 1) Print this form for **each traveler** in your party
- 2) Fill out **each form** for **each traveler**
- 3) Take **each form** with you to the airport, and **present them to the appropriate airline representative**
